

Do you need ASCLS P.A.C.E.® approved CE courses to renew your state certification (license) or meet other CE requirements? We can help you! NCCT is an approved provider of continuing education via the ASCLS P.A.C.E.® Program (California CE Provider #0001) and we offer P.A.C.E.® approved CE courses appropriate for phlebotomists.

If...	Then...
You want to maintain <i>ONLY</i> your state certification <i>OR</i> you are certified by another agency.....	...complete this form to purchase/complete the number of contact/clock hours you need to meet your requirements.†
You are certified by NCCT/MMCI <i>AND</i> you want to maintain your national certification <i>AND</i> meet your requirements for your state certification (license).....	...you can recertify with NCCT by successfully completing 14 contact/clock hours of CE making sure that at least six (6) contact/clock hours are P.A.C.E.® approved. Do not use this form! Use the application form sent with your recertification request.

† You will not receive an official transcript in the mail. You can download a copy of your transcript and P.A.C.E.® certificates from the NCCT website. The transcript contains all information needed to complete the California LFS license renewal form. If you need an official transcript, call Customer Service at 1-800-875-4404.

How are CE courses completed? CE courses can be 1) downloaded/printed/read and CE tests taken from a User Account on the NCCT website or 2) by ordering printed CE courses to read and completing CE tests on answer sheets returned to NCCT for grading.

How much is a CE course? CE courses are purchased by the contact/clock hour (CH). Each CH is \$5.50.

How do I order CE CH to meet state certification requirements? Purchase CE courses online by creating a User Account, by calling customer Service at 1-800-875-4404, or by completing and mailing/faxing this form to the address/fax number on the following page.

Check the *format* you will use to complete the CE:
