

Phlebotomy Technician Certification Critical Skill Competency/Qualification by Experience Documentation 2024 - LA

To be completed by the applicant: (Please return this form to NCCT with your application.)

Name of applicant _____

Today's Date (MM/DD/YYYY) _____ NCCT User ID # _____

The remainder of this form is to be completed by the applicant's direct patient care supervisor which may include, but not limited to, a Licensed Physician or Primary Care Provider.

The person named above is applying for certification in the field of Phlebotomy Technician. The applicant must have documentation reflecting a minimum of one (1) year full-time work experience, within the past five (5) years as a Phlebotomy Technician. In order to determine the eligibility of the applicant, we require verifiable documentation of knowledge, education, training, and proficiency in the critical skill areas as identified below. Please complete the documentation below. Only one (1) direct patient care supervisor per page. Each employer may only verify work experience performed at their own facility.

Note: This page may be photocopied if more than one employer or direct patient supervisor will be verifying cases and providing documentation.

Critical Skill Performance Competency	Initials
Venipuncture (performance of a minimum of 100 venipuncture procedures)	
Capillary puncture (performance of a minimum of 25 capillary puncture procedures)	
Additional comments (optional):	

If this applicant was employed by your organization in a full time capacity in the last 5 years and that employment includes successful performance in the critical skills, please provide the dates of full time employment (defined by NCCT as 40 hours per week). Each employer may only verify work experience performed at their own facility.

The applicant successfully performed the skills attested to through: ____ employment experience ____ educational training.
from ____ / ____ through ____ / ____ or ____ Present.
month year month year

Verification Statement: Minimum Critical Skill Competency Requirements

By signing this form, I am verifying the applicant named above is competent (safe, consistent, and successful) in performing each of the critical skill areas as identified below. (Note: Actual patient care verification in an ambulatory care, medical office, or clinic environment is required - **simulated clinical experiences or mannequin punctures do not meet qualification criteria**). Please verify competency by providing your initials next to each critical skill that you are attesting to, within the Phlebotomy Technician scope of practice/employment, according to individual state laws. Your signature and legible contactable information are required for valid completion of this form.
