Phlebotomy Technician Certification Qualification by Experience

(Official Documentation of Route 2)

Rev: September 2016

To be completed by the applicant: (Please return this form to NCCT with your application.)

Name of applicant _____

Today's Date (MM/DD/YYYY) _____

To be completed by the applicant's direct patient care supervisor: (Licensed Physician, Primary Care Provider, or Laboratory Manager (CLS, MLS, MT).)

The person named above is applying for certification in their role as a Phlebotomy Technician. In lieu of successful completion of an eligible Phlebotomy Technician program, the applicant is qualifying through work experience (NCCT Route 2 - Qualification by Experience). As such, the applicant must have documentation reflecting a minimum of one (1) year full-time work experience, within the past five (5) years, including performance in each of the critical skills for Phlebotomy Technicians. Each employer may only verify work experience performed at their own facility.

Verification Statement: Minimum Critical Skill Competency Requirements

By signing this form, I am verifying the applicant named above is competent (safe, consistent, and successful) in performing each of the critical skill areas as identified below. (Note: Actual patient care verification in an ambulatory care, medical office, or clinic environment is required - **simulated clinical experiences or mannequin punctures do not meet qualification criteria**). Please verify competency by providing your initials next to each critical skill that you are attesting to, within the Phlebotomy Technician scope of practice/employment, according to individual state laws. Your signature and legible information are required for valid completion of this form.

Critical Skill Performance Competency	Initials
Venipuncture (performance of a minimum of 25 venipuncture procedures)	
Capillary puncture (performance of a minimum of 5 capillary puncture procedures)
