PRINTED CE COURSES & RECERTIFICATION ORDER FORM

1. Use this form to select and order printed CE courses, and to submit the recertification fee payment. CE courses are listed in alphabetical order; new courses are marked as such. Please note CD-ROMS are no longer available for purchase.
2. The annual recertification requirements for one certification are the completion of 14 contact/clock hours of continuing education and the payment of a \$77.00 recertification fee. The annual recertification requirements for two or more certifications are the completion of 19 contact/clock hours of continuing education and the payment of a \$104.50 recertification fee.

PLEASE READ THIS IMPORTANT INFORMATION!

2. There is an *additional charge of \$3.00 per contact/clock hour* to purchase printed CE courses. For example, if 14 CH are ordered, the total additional cost for printed CE courses will be \$42.00. This cost must be included with your recertification fee payment or your order will not be shipped.
3. There is a *shipping fee* when you order printed CE courses. The shipping fee must be included with your payment or your order will not be shipped.
4. Use the following guidelines to select CE courses. **Note:** NCCT offers certification for many entry-level professions. Not all CE courses are applicable to everyone.
 - Identify course content related to the critical job competencies identified in the detailed test plan for your certification exam.
 - Identify courses based on your daily job tasks.
 - Select courses that are of interest to you or that will enhance your overall knowledge.
 - Select CE courses with course numbers you have not successfully completed. You can complete CE courses with the same titles that have different course numbers, as this indicates the courses and tests have been updated. If you have completed NCCT CE courses, you can view/print your CE transcript from the NCCT webpage, or you can email conted@nctinc.com or call Customer Service at 800-875-4404 to have a copy of your CE transcript mailed or emailed to you.
5. To order CE courses, place a \checkmark in the box to the left of the course title on pages 2 and 3 of this form. **Add the costs of each printed course together and place the total below. Add this amount to the Total Cost for Individual Printed Courses on the Recertification Order Form on page 4.**
